(iii) If a Bidder is exempted from payment of any duty/tax upto any value of supplies from them, he should clearly state that no such duty/tax will be charged by him up to the limit of exemption which he may have. If any concession is available in regard to rate/quantum of any Duty/tax, it should be brought out clearly. Stipulations like, the said duty/tax was presently not applicable but the same will be charged if it becomes leviable later on, will not be accepted unless in such cases it is clearly stated by a Bidder that such duty/tax will not be charged by him even if the same becomes applicable later on. In respect of the Bidders, who fail to comply with this requirement, their quoted prices shall be loaded with the quantum of such duty/tax which is normally applicable on the item in question for the purpose of comparing their prices with other Bidders.

(iv) Any change in any duty/tax upward/downward as a result of any statutory variation in excise taking place within contract terms shall be allowed to the extent of actual quantum of such duty/tax paid by the supplier. In case of their failure to do so, within 10 days of the issue of the excise duty refund orders to them by the Excise Authorities the Buyer would be empowered to deduct a sum equivalent to the amount refunded by the Excise Authorities without any further reference to them from any of their

outstanding bills against the contract or any other pending Government Contract and that no disputes on this account would be raised by them.

(iii) The Seller will undertake that in case any refund from Excise Authority is obtained by the Seller after obtaining reimbursement from the Paying Authority, it will be immediately refunded by the Seller to the Paying Authority giving details and particulars of the transactions, In case the Seller fails to do so, the Paying Authority will have full authority to recover such amounts from the Seller's outstanding bills against that particular contract and that no dispute on this account would be raised by the Seller. .

(c) **Sales Tax / VAT.**

(i) If it is desired by the Bidder to ask for Sales tax / VAT to be paid as extra, the same must be specifically stated. In the absence of any such stipulation in the bid, it will be presumed that the prices quoted by the Bidder are inclusive of sales tax and no liability of sales tax will be developed upon the Buyer.

(ii) On the Bids quoting sales tax extra, the rate and the nature of Sales Tax applicable at the time of supply should be shown separately. Sales tax will be paid to the Seller at the rate at which it is liable to be assessed or has actually been assessed provided the transaction of sale is legally liable to sales tax and the same is payable as per the terms of the contract.

The local Town/Municipal Body regulations at times, however, provide for such Exemption only on production of such exemption certificate from any authorised officer. Seller should ensure that services against contracts placed by this office are exempted from levy of Town Duty/Octroi Duty, Terminal Tax or other local taxes and duties. Wherever required, they should obtain the exemption certificate from the Buyer, to avoid payment of such local taxes or duties.

(ii) In case where the Municipality or other local body insists upon payment of these duties or taxes the same should be paid by the Seller to avoid delay in supplies and possible demurrage charges. The receipt obtained for such payment should be forwarded to the Buyer without delay together with a copy of the relevant act or bylaws/ notifications of the Municipality of the local body concerned to enable him to take up the question of refund with the concerned bodies if admissible under the said acts or rules.

PART IV – SPECIAL CONDITIONS OF RC/ TENDER DOCUMENT

The Bidder is required to give confirmation of their acceptance of Special Conditions of the RC/ Tender Document mentioned below which will automatically be considered as part of the Contract concluded with the successful Bidder (i.e. Seller in the Contract) as selected by the Buyer. Failure to do so may result in rejection of Bid submitted by the Bidder.

1. **Performance Security.** Before signing of the Rate Contract, the successful Bidder will be required to furnish a Performance Security by way of Demand Draft for a sum equivalent to 5% of the Total Contract value arrived at by multiplying the anticipated annual requirement with the price quoted by the Bidder (lowest quoted price).
2. **Parallel Rate Contract.** In case it is observed that a single supplier does not have enough capacity to cater to the entire demand of an item or where it is desirable to have a wider vendor base due to criticality of the items, it may become desirable to conclude parallel RCs with more than one firm. The Principal, based on the merit of each case, may decide the number of firms to be awarded RC for an item in order to have a wider choice.
3. The Buyer reserves the right to purchase the contracted services through School Run Canteen (Canteen Stores Department), in case available, without entering into Parallel Rate Contract.

8. **Fall Clause.** The rate contract will be guided by “**Fall Clause**”, which provides that if the rate contract holder reduces its price or sells or even offers to sell the rate contracted services following conditions of sale similar to those of the rate contract, at a price lower than the rate contract price, to any person or organization during the currency of the rate contract, the rate contract price will be automatically reduced with effect from that date for all the subsequent supplies under the rate contract and the rate contract amended accordingly. Other parallel rate contract holders, if any, are also to be given opportunity to reduce their price as well, by notifying the reduced price to them and giving them 15 (fifteen) days’ time to intimate their revised prices, if they so desire, in sealed cover to be opened in public on the specified date and time and further action taken as per standard practice. However, if the parallel rate contract holders attempt to grab more orders by unethical means by announcing reduction of their price (after getting the rate contract) under the guise of Fall Clause and their performances are not found to be upto the mark, appropriately severe action should be taken against them including deregistering them, suspending business deals with them, terminating the contract or any other action as deemed fit by the Buyer.

9. **Risk & Expense clause.**

- (a) Should the services or any installment thereof not be delivered within the time or times specified in the contract documents, or if defective delivery is made in respect of the services or any installment thereof, the Buyer shall after granting the Seller 30 days to cure the breach, be at liberty, without prejudice to the right to recover liquidated damages as a remedy for breach of contract, to declare the contract as cancelled either wholly or to the extent of such default.
- (b) Should the services or any installment thereof not be in accordance with the specifications / parameters agreed by the Seller, the Buyer shall be at liberty, without prejudice to any other remedies for breach of contract, to cancel the contract wholly or to the extent of such default.
- (c) In case of a material breach that was not remedied within 30 days, the Buyer shall, having given the right of first refusal to the Seller be at liberty to purchase or procure from any other source as he thinks fit, other services of the same or similar description to make good:-
- (i) Such default.
- (ii) In the event of the contract being wholly determined the balance of the services remaining to be delivered there under.

10. **Force Majeure clause.**

- (a) Neither party shall bear responsibility for the complete or partial nonperformance of any of its obligations (except for failure to pay any sum which has become due on account of receipt of services under the provisions of the present contract), if the non-performance results from such Force Majeure circumstances as Flood, Fire, Earth Quake and other acts of God as well as War, Military operation, blockade, Acts or Actions of State Authorities or any other circumstances beyond the parties control that have arisen after the conclusion of the present contract.
- (b) In such circumstances the time stipulated for the performance of an obligation under the present contract is extended correspondingly for the period of time of action of these circumstances and their consequences.
- (c) The party for which it becomes impossible to meet obligations under this contract due to Force Majeure conditions, is to notify in written form the other party of the beginning and cessation of the above circumstances immediately, but in any case not later than 10 (Ten) days from the moment of their beginning.
